

Suggested focus questions for this activity

Task 1

What do we know about making sounds?

- In what ways could you make a sound?
- Which is your favourite way? Why?
- What is happening to make this sound? Why do you think that?
- How could you make the sound louder/quieter? Why would this make it louder/quieter?

Task 2

Exploring musical instruments

- What does each instrument look like?
- What materials is each instrument made from? How do you know?
- What shape is each instrument?
- How are these instruments different?
- How are they like each other?
- Which is the longest/shortest instrument? How could you measure them?
- Which is the heaviest/lightest instrument? How do you know?
- What sound do you think this instrument will make? Why do you think that?
- How would you make a sound using this instrument? Why do it in this way?
- How are the sounds these instruments make different? Why do you think that is?

Task 3

Planning what to do at the outdoor space

- What type of instrument would you like to make? Why?
- How could you make this type of instrument?
- What materials would you need? Why would you need these things?
- What could you look for in the outdoor space/ environment that would help you make the instrument? Why would these things help?
- What sorts of things might you be able to collect when you visit the outdoor space/environment? Why do you think that?
- How could you use these to make different kinds of musical instruments?
- How will you record your ideas on the planning sheet? Why do it in this way?

Task 4

Gathering materials for a musical instrument

- What sort of things are you going to collect? Why?
- How would you use these to make a musical instrument?
- How are you going to find the things you want to collect? Why do it like this? Might there be a better way? Why?
- How will you use your plan? Why use it like this?
- How well did your plan work? Was it easy to follow? Why?
- What items from your list did you collect?
- Which items on your list were hard to find? Why do you think that was?

Task 5

Making a musical instrument

- What items have you collected?
- How could you use these items to make sounds? Why use them in these ways?
- What type of instrument are you going to make? Why?
- How will you make it?
- How will you use the items you collected as part of the instrument?
- What other materials do you need to make your instrument?? Why do you need these materials?

Task 6

Displaying musical instruments

- How could the class display their musical instruments to others?
- Which do you think would be the best way? Why do you think that?
- How could you organise this type of display?
- What problems might you face? Why do you think that?
- How could you overcome these problems?
