| Agenda<br>item | Comments   | Action |
|----------------|--|--------|
| 1              | Welcome, introductions and apologies   |        |
| 1.1            | DM welcomed all to the meeting, thanked SP for hosting and asked for introductions. Apologies were recorded as above.  |        |
| 2              | Minutes of the Meeting held on 25 June 2018 and matters arising  |        |
| 2.1            | Minutes were agreed as a true record and there were no matters arising.  |        |
| 3              | Natural Resources Wales: Area Statements   |        |
| 3.1            | GH presented a comprehensive overview of the Area Statements. Provided background information on the development including the legislation in place needed to plan and manage Wales' natural resources. <b>Action</b> : circulate presentation.  | GG     |
| 3.2            | GH added that the Area Statements have been informed by partners and further engagement will take place developing the emerging themes.  |        |
| 3.3            | Discussion followed regarding the multiple benefits available from the assets in<br>Bridgend, the need to add to business as usual and the importance of<br>collaboration. There is an obvious alignment with the Bridgend Assets sub<br>board and a broader overlap with all sub boards of the PSB. |        |

| 4   | Potential for Regional PSB  |    |
|-----|---|----|
| 4.1 | DM recapped that the Health Board boundary changes will take place next April           |    |
|     | and Bridgend will be part of the Cwm Taf area. The possibility of Bridgend PSB          |    |
|     | joining the Cwm Taf PSB is a consideration.   |    |
| 4.2 | DM thanked those members that attended the Cwm Taf PSB for their written                |    |
|     | views, circulated previously, and invited all to reflect on our direction of travel.    |    |
| 4.3 | Discussion followed regarding the pros and cons of developing a new joint PSB.          |    |
|     | Concerns were raised regarding potential loss of momentum and focus for the             |    |
|     | current Bridgend Wellbeing Plan and the differences in membership on both               |    |
|     | boards.   |    |
| 4.4 | Marcus Longley, CWMTAF Health Board is the Chair of Cwm Taf PSB and will                |    |
|     | represent the Health Board on Bridgend's PSB. This relationship might move              |    |
|     | the conversation forward and resolve some of the concerns. All agreed further           |    |
|     | dialogue was needed along with more time to see how the change in the                   |    |
|     | Health boundaries will affect the work of the PSB.                                      |    |
| 5   | Election of New Chair   |    |
| 5.1 | DM explained that he was moving on to a new role and leaving BCBC and had               |    |
|     | invited members to express and interest in Chairing the PSB.                            |    |
| 5.2 | DM confirmed that one nomination had been received and asked if anyone else             |    |
|     | would like to put their name forward. All agreed that MB be appointed as                |    |
|     | Chair.  |    |
| 6   | Suicide and Self-harm Prevention Strategy   |    |
| 6.1 | JJ referred to the papers previously circulated and highlighted two areas of            |    |
|     | work where lead officers were included in the Action Plan and now need to be            |    |
|     | confirmed. Action:  |    |
|     | obtain confirmation that Joanne Abbot-Davies, ABMU is lead officer for                  | SH |
|     | Priority 5  |    |

|     | priority 4.   |    |
| 7   | Bridgend Assets Board   |    |
| 7.1 | GB provided feedback on progress of the PSB Bridgend Assets Sub Board,                  |    |
|     | report circulated with papers.  |    |
| 7.2 | The report highlighted:   |    |
|     | Asset mapping event   |    |
|     | Tree planting opportunities   |    |
|     | Social prescribing research   |    |
|     | Future opportunities  |    |
| 7.3 | GB added that the January sub board will consider the feedback from the event           |    |
|     | and identify any themes coming through. Move forward the tree planting                  |    |
|     | opportunities to increase trees on PSB members land and research what                   |    |
|     | barriers are stopping people using greenspace to support social prescribing.            |    |
| 7.4 | Richard Baker mentioned the National Assets working group, noted the                    |    |
|     | potential of linking with Asedau Cymru for support and suggested meeting with           |    |
|     | GB. Action: meeting to be arranged.   | 11 |
| 8   | Bridgend Community Safety Partnership   |    |
| 8.1 | JJ outlined the report, previously circulated and highlighted the identified            |    |
|     | priorities and progress to date. As Cllr Richard Young is the chair of the CSP JJ       |    |
|     | suggested that he become a member of the PSB, all agreed. Action: invite Cllr           |    |
|     | Young to the PSB  | 11 |
