Site Details

This 7.7 hectare site, which was formerly occupied by Cooper Standard and Budelpak Cosi now represents one of the most strategically sited development opportunities in the Llynfi Valley. Located within the urban area of Maesteg adjacent to the Oakwood Estate, which is a renewal priority for V2C Housing. The site is owned, in part, by the County Borough Council, and has been identified as suitable for funding from the Western Valleys Strategic Regeneration Area (WVSRA).

The strategic and sustainable location of the site, adjacent to a rail halt on the Maesteg to Bridgend line, means that this regeneration opportunity could have benefits for the whole of the Llynfi Valley. The significance of this opportunity has been recognised by the Llynfi Valleys Area Regeneration Plan (VARP) which earmarks the future development of the area as a Strategic Project. The LDP strategy promotes the site as a flexible regeneration opportunity to create a new mixed-use neighbourhood that can deliver much needed development space for small businesses, new market and affordable housing, and related commercial and social facilities set within a pleasant environment that can capitalise on its riverside setting.
