Subject: Council's Statement - Session 7 - Retailing

Nicola

Further to the submission of the Council's statements yesterday, it has come to our attention that, due to an error on our part which has come to light this morning, the Council's economic development team were aware of the marketing of the site at Heol Mostyn, Pyle, which is due to be discussed at Session 7.

Therefore we would like to withdraw the following statement in relation to response to question 3c: *"The Council's economic development unit are not aware of any active marketing which has taken place on this site"*

I would be grateful if you could let the Inspector and relevant representors aware of this situation.

best wishes

Stuart
