

## Small local government bodies in Wales Annual Return for the Year Ended 31 March 2015

Section 12 of the Public Audit (Wales) Act 2004 requires local government bodies in Wales to make up their accounts each year to 31 March and to have those accounts audited by the Auditor General for Wales. Regulation 14 of the Accounts and Audit (Wales) Regulations 2014 states that smaller local government bodies i.e. those with annual income and expenditure below £2.5 million must prepare their accounts in accordance with proper practices.

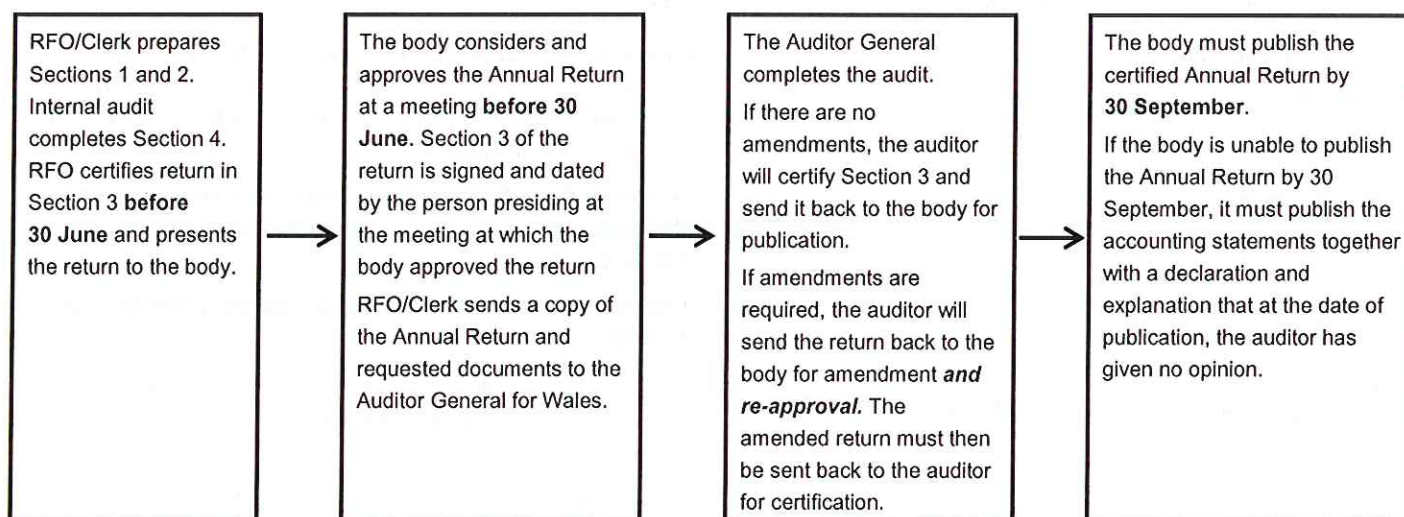

The following legislation defines proper practices as the One Voice Wales/SLCC Guidance publication *Governance and accountability for local councils in Wales – A Practitioners' Guide (2011)* (the Practitioners' Guide):

- Port health authorities: Accounts and Audit (Wales) Regulations 2014, Regulation 4(b)
- Small joint committees: Local Authorities (Capital Finance and Accounting) (Wales) Regulations 2003, Regulation 25(1)

The Practitioners' Guide requires that smaller bodies prepare their accounts in the form of an annual return. This annual return meets the requirements of the Practitioners' Guide

**Please complete all sections highlighted in pink.** Incomplete or incorrect returns may require additional external audit work and incur additional costs. Further guidance is included in Section 5 and in Section 2 includes references to where the guide has further information.

Under the Accounts and Audit (Wales) Regulations 2014, the body must formally approve the return and certify Section 3 before the return is sent to the auditor. The body must approve the Annual Return by 30 June. Unless the Annual Return needs to be amended, the auditor will certify the return and send it back to the Body for publication with no further approval by the body required. The accounts approval and audit arrangements follow the process as set out below.

Your external audit team will advise you what additional information is needed for the audit.

Please send the original Annual Return (ie, not a photocopy), together with any additional information requested, to your external auditor by the date specified by the auditor. Unless requested, please **do not** send any original financial records to the external auditor.

Audited and certified returns are sent back to the body for publication or display of Sections 1, 2 and 3.

## Section 5 – Guidance notes on completing the 2015 Annual Return

1. Please note the changes to the accounts approval and audit process for this year. These are described on the front cover of this Annual Return.
2. For guidance please read the Practitioners' Guide (*Governance and accountability for local councils: A Practitioners' Guide 2011 (Wales)*) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
3. **The Wales Audit Office Good Practice Exchange ([www.wao.gov.uk/good-practice/finance/community-ouncil-money](http://www.wao.gov.uk/good-practice/finance/community-ouncil-money)) provides further information on the accounts and audit process along with guidance on governance matters.**
4. Please make sure that all sections are completed (ie, no empty pink boxes) by the appropriate person and the certificates in Section 3 are properly signed and dated. Avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are properly initialled and an explanation for them is provided to the auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited.
5. Use the checklist provided below. Use a second pair of eyes, perhaps your internal auditor or the Chair, to review your Annual Return for completeness before sending a copy to the auditor.
6. Make sure that the copy of the bank reconciliation you send to your auditor with the copy Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your body holds any investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to Line 9 in Section 1. More help on bank reconciliation is available in the Practitioners' Guide\*.
7. Please **explain fully** any significant variances in the accounting statements. The auditor wants to know that **you** understand the reasons for the change. Please include a relevant and quantified analysis as shown in the Practitioners' Guide examples and not just a copy of your detailed accounts.
8. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful. Please ensure that you enclose all the information that the auditor has asked for. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances this may incur additional costs for which the auditor is entitled to charge additional fees.
9. Please make sure that Section 1 adds up! Also please ensure that the balance carried forward from the previous year (Line 7 of 2014) equals the balance brought forward in the current year (Line 1 of 2015).
10. **Do not complete the External Audit Certificate in Section 3.** The external auditor completes this after the external audit work has been completed.
11. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit to the Body.
