## Foreword

**The following pages give a comprehensive list of fees and charges levied by Bridgend County Borough Council on chargeable services provided to the public. They also include charges for that area that are applied by the Shared Regulatory Services (SRS). The SRS is the provider of regulatory services that safeguard the health and economic wellbeing of the region and covers the Council areas of Bridgend, Cardiff and the Vale of Glamorgan.**

**The fees in this document are applicable from 1<sup>st</sup> April 2026.**

**All Fees are inclusive of VAT, if applicable (unless otherwise stated). A number of the fees and charges shown are set by other organisations such as Welsh Government and UK Government.**

The Amount of time to carry out the Building Regulation function varies, dependent on the different use categories of buildings. The amount of time to check and inspect a building used for industrial and storage use is less than that for other use, same size buildings and the charge for Other Residential use building is higher due to the additional time in respect of this type of work. The use of a building is different under provisions of the Building Regulations 2010.
