2018 - 2033

Cofrestr Safleoedd Ymgeisiol
Candidate Site Register

Ionawr / January 2019

Rhagair

Yn rhan o'r cyfnod paratoi cyn adneuo, gofynnwyd i dirfeddianwyr, datblygwyr a'r cyhoedd enwebu 'Safleoedd Ymgeisiol' i'w hystyried ar gyfer eu cynnwys yng Nghynllun Datblygu Lleol (CDLl) Newydd Pen-y-bont ar Ogwr.

Y cyfnod ar gyfer cyflwyno safleoedd oedd o 14 Medi 2018 i 9 Tachwedd 2018.

Diben y cais am enwebiadau safleoedd oedd sicrhau os dyrennir tir ar gyfer ei ddatblygu yn y Cynllun, y bydd safleoedd realistig y gellir eu darparu ar gael i'w datblygu o bosibl o fewn cyfnod y Cynllun (hyd at 2033).

Mae'n bwysig pwysleisio yn y cyfnod hwn **nad yw** cael ei gynnwys ar y Gofrestr o Safleoedd Ymgeisiol hon yn cadarnhau y bydd safle yn cael ei gynnwys mewn cynigion cyn adneuo a / neu'r CDLl ar adnau. Nid yw ychwaith yn golygu bod yr Awdurdod Cynllunio Lleol yn dangos unrhyw ffafriaeth i'r safle o ran ei rinweddau. Mae hyn yn cynnwys unrhyw safleoedd ymgeisiol a gyflwynwyd gan adrannau mewnol y Cyngor. **Nid** yw'r Gofrestr hon yn ddogfen ymgynghoriad cyhoeddus; dim ond datganiad o ffaith ynghylch y safleoedd a gyflwynwyd ar yr adeg hon.

Os bydd Strategaeth Datblygu a Ffefrir y Cyngor yn dangos bod angen mwy o dir ar gyfer datblygu, defnyddir yr wybodaeth a geir yn y Ffurflen Holiadur Safleoedd Ymgeisiol (a wiriwyd gan Swyddogion y Cyngor) i asesu safleoedd yn unol â'r Strategaeth ar gyfer eu cynnwys o bosib yn y cynigion cyn adneuo a / neu'r CDLl ar adnau. Bydd yr asesiad hwn hefyd yn cynnwys Arfarniad o Gynaliadwyedd ar gyfer y safleoedd hynny.

Mae mynegai o'r Safleoedd Ymgeisiol yn dilyn y rhagair hwn. Caiff y safleoedd eu rhestru yn nhrefn y wyddor yn ôl anheddiad. Gellir dod o hyd i safleoedd a leolir yn Abercynffig, Bryncethin, Brynmenyn, Sarn, Tondu ac Ynysawdre wedi eu grwpio gyda'i gilydd o dan Porth y Cymoedd. Mae rhai safleoedd wedi'u lleoli mewn mwy nag un anheddiad. Pan ddigwydd hyn, mae'r safleoedd wedi eu rhestru mewn un anheddiad yn ôl disgresiwn y Cyngor i osgoi dyblygu. Dylid cofio hyn wrth chwilio am yr holl gyflwyniadau ar gyfer anheddiad penodol. Mae'r Gofrestr ei hun yn rhoi map o leoliad y safle, ynghyd â rhywfaint o wybodaeth yn cynnwys y defnydd a awgrymwyd a'i gyfeirnod unigryw.

Ni fydd ymholiadau yn ymwneud â'r safleoedd neu'r ffurflenni a gyflwynwyd yn cael eu hateb drwy e-bost na dros y ffôn. Ar yr adeg hon, ni fydd Swyddogion y Cyngor yn trafod unrhyw rinweddau neu fel arall sy'n ymwneud â safleoedd unigol gan y byddai hyn yn rhy gynnar. Bydd y safleoedd hynny a gynigir i'w cynnwys yn y CDLl Newydd ar gael ar gyfer ymgynghoriad cyhoeddus llawn yn y cyfnod cyn adneuo.

Bydd unrhyw geisiadau cynllunio a gyflwynir ar Safleoedd Ymgeisiol yn parhau i gael eu hasesu yn y ffordd arferol yn unol â pholisïau perthnasol sydd wedi'u cynnwys yn CDLl Pen-y-bont ar Ogwr a fabwysiadwyd hyd nes y cânt eu disodli gan y CDLl Newydd.

Foreword

As part of the pre-deposit stage of preparation, land-owners, developers and the public were asked to nominate 'Candidate Sites' for consideration for inclusion within the Replacement Bridgend Local Development Plan (LDP).

The period for the submission of sites was from 14th September 2018 to 9th November 2018.

The purpose for asking for the nomination of sites was to ensure that, if land for development is allocated in the Plan, realistic and deliverable sites are available for potential development within the Plan period (up to 2033).

It is important to stress at this stage that publication in this Candidate Site Register **does not** confirm that a site will be taken forward for inclusion within pre-deposit proposals and / or the deposit LDP, nor does it imply any preference of the Local Planning Authority regarding its merits. This includes any candidate sites which have been submitted by internal departments within the Council. This Register is **not** a public consultation document; merely a statement of fact of the sites which have been submitted at this stage.

If the Council's Preferred Development Strategy indicates that further land is required for development, the information provided on the Candidate Sites Questionnaire Form (which has been verified by Council Officers) will be used to assess sites against the Strategy for their possible inclusion within the pre-deposit proposals and / or deposit LDP. This assessment will also include a Sustainability Appraisal of those sites.

An index of the Candidate Sites follows this foreword. Sites are listed alphabetically by settlement. Sites located in Aberkenfig, Bryncethin, Brynmenyn, Sarn, Tondu and Ynysawdre can be found grouped together under the Valleys Gateway. Some sites are located in more than one settlement. Where this occurs, such sites have been listed in one settlement at the discretion of the Council to avoid duplication. This should be borne in mind if searching for all submissions for a particular settlement. The Register itself gives a location map of the site, together with limited information including the use(s) which have been suggested and its unique reference number.

Queries regarding the sites or submitted forms will not be answered by email or phone. Council Officers will not discuss at this stage any merits or otherwise of individual sites as this would be premature. Those sites which are being proposed for inclusion in the Replacement LDP will be made available for full public consultation at the pre-deposit stage.

Any planning applications submitted on Candidate Sites will continue to be assessed in the usual way under relevant policies contained within the adopted Bridgend Local Development Plan (LDP), until such a time as they are superseded by the Replacement LDP.
