

BRIDGEND COUNTY BOROUGH COUNCIL **SCHEME OF DELEGATION OF FUNCTIONS**

Introduction

Section 13 of the Local Government Act 2000 provides for the determination of which functions of a local authority are the responsibility of the Executive under Executive arrangements. All functions of a local authority must be the responsibility of the Executive unless specified otherwise in Regulations or there are express provisions to the contrary in other legislation.

Part 2 of the Constitution sets out the remit of Council, Council Committees and Cabinet, briefly, Council is responsible for:

- Determination of the policy framework and budget and other constitutional and quasi legislative functions.
- Functions which involve determining an application from a person for a licence approval consent permission or registration (including particular planning permissions and consents) or direct regulation of a person (except in cases where there is only limited discretion in the discharge of the function) together with any related enforcement actions (including prosecutions).
- All other functions not being overview and scrutiny functions are to be the responsibility of the Executive.

Within this framework the role of Members is to concentrate upon broad strategy and policy decisions. Managers are to have clear managerial control and authority to implement those decisions.

It is part of the role of Members to raise concerns, particularly those of constituents, and bring to the attention of Chief Officers matters of concern on any element of a service. Chief Officers will consider the concerns and comments of Members whilst recognising their responsibility to manage service delivery in accordance with the Council's policy framework.
