Dear Occupier,

Increase of Speed Limit to 30mph

As you maybe aware Welsh Government recently made changes to their guidance for setting exemptions to the restricted road speed of 20mph in Wales, and also requested the public to contact their local authority with roads that they wished would revert back to 30mph.

As a result Bridgend County Borough Council have reviewed all of the suggested roads and are now giving notice of the three roads that meets the update guidance to facilitate the road having a 30mph speed limit instead of the current 20mph.

Attached is a copy of the legal notice of making the traffic order on the 3 sections of road, together with a plan of the road that will directly affect you.

If you require any clarification on this notice please contact Traffic and Transportation, as outlined in the notice and ask for Mr Keith Power, or if you wish to make an objection or representation please follow the instructions included within the notice.

Kind regards,

Sarah Frampton
