Date: 09 January 2023

To: Parents/Carers of children eligible to start in a Nursery class in September 2023 and during the 2023-2024 school year

Dear Parent/Carer

Admission to school (nursery)

Children born between 1 September 2019 and 31 August 2020 are eligible for a Full-time Nursery place in a local authority-maintained school within the Bridgend County Borough from September 2023.

Additionally, children are entitled to receive a free Part-time Nursery place from the term following their third birthday. This place can be in a local authority-maintained school or a private playgroup/nursery. In respect of admissions to local authority-maintained schools, children born between 1 September 2020 and 31 December 2020 are eligible for a part-time place starting in January 2024 and children born between 1 January 2021 and 31 March 2021 are eligible for a part-time place starting in April 2024.

Parents/carers of eligible children **must** complete a school admission (nursery) application. Even if your child is due to start attending a Part-time Nursery class in either January 2023 or April 2023, there is no automatic right to a Full-time Nursery place in September 2023.

You are able to apply online. If you have already signed up to My Account on the Bridgend County Borough Council website, you will need to log in and you can then complete an online application for a nursery place.

If you have not already signed up to My Account, you can create your account from the Bridgend County Borough Council website. All you need is an email address.

It is quick and easy to apply for a Nursery place through My Account and you can have peace of mind knowing that your application has been received because once you have submitted the application, this will be indicated in your My Account summary information.

The online application works equally as well across computer, tablet or mobile.

The application is also available as a hardcopy form upon request, from your local school.

The council's Starting School prospectus 2023-2024, which outlines the admissions policy and provides other information in relation to the services provided for children and parents/carers, is available on www.bridgend.gov.uk/schooladmissions . Alternatively, please email pupilservices@bridgend.gov.uk to request a hardcopy. Before you complete an application, please read the prospectus and the guidance on the webpage.

The online Full-time Nursery application will be available through My Account from 10am on Monday 9 January 2023. Please note that the deadline for receipt of completed Full-time Nursery applications is **4pm on Friday 24 March 2023.**

The online Part-time Nursery application will be available through My Account from 10am on Monday 9 January 2023. Please note that the deadline for receipt of completed Part-time Nursery applications is **4pm on Thursday 31 August 2023.**

Failure to submit an application by the deadline may result in your child being refused a place at the school of your choice.

All parents/carers have the right to express a preference for the school they wish their child to attend. In most cases, parents/carers are happy to choose their nearest suitable school/catchment school. However, if you are successful in applying for a place at a school that is not your nearest suitable/catchment school, the council **will not** normally provide free transport, irrespective of the distance from home to school. The Home-to-School/College Transport Policy is available from www.bridgend.gov.uk/schooltransport

Where a school is oversubscribed and the demand for places is greater than the number of places available, the council will apply its oversubscription criteria to allocate the places available. **It is strongly recommended that you select second and third preference schools. Limiting your choice to just one school does not improve your prospects of gaining a place for your child in that school.**

It is important to note that there is no automatic right for children with siblings in a school to be allocated a place at that school. The council's School Admissions Policy 2023-2024 identifies the full list of criteria that will be applied if places at a school are oversubscribed.

For the following schools, the governing body of each school is the admission authority and has responsibility for all admission arrangements. If you wish to apply for a nursery place at one of these schools, you are advised to contact the school directly. The admission criteria for these schools may differ and details are available from the schools and/or their websites.

- St Mary's Catholic Primary School
- St Mary's and St Patrick's Catholic Primary School
- St Robert's Roman Catholic Primary School
- Archdeacon John Lewis Church in Wales Primary School

Parents/carers should note that there is no right of appeal in the case of nursery admissions.

If you should require further information in relation to the admissions process, please email pupilservices@bridgend.gov.uk

Yours faithfully
